**Corix Utilities (Foothills Water) Inc.
Stage 2 Review and Variance of Decision 27844-D02-2023
Proceeding 28707**

Compliance filing approval

1. On March 27, 2024, the Alberta Utilities Commission provided its decision regarding Proceeding 28707, Corix Utilities (Foothills Water) Inc.'s¹ Stage 2 review and variance of Decision 27844-D02-2023.² This decision contained revisions to Corix's previously approved 2023-2025 revenue requirements,³ and Corix was ordered to file a compliance application reflecting the revised 2023-2025 revenue requirements, along with financial schedules containing the accordant changes for the approved revenue requirements.
2. Corix filed its compliance application along with the aforementioned financial schedules and updated terms and conditions on April 25, 2024,⁴ which reflected the 2023-2025 approved revenue requirements.
3. The Commission has reviewed Corix's compliance application and has approved the writer to communicate the following.
4. The Commission is satisfied that Corix's revised compliance application, including financial schedules and terms and conditions for its approved 2023-2025 revenue requirements, has complied with the Commission's directions contained in Decision 28707-D01-2024. Corix's revised application, financial schedules, terms and conditions, and customer rates for 2023-2025 are approved.
5. Should you have any questions, please contact the undersigned by email at chris.arnot@auc.ab.ca.

Yours truly,

Chris Arnot
Director, Retail Energy and Water
Rates Division

¹ The Commission recognizes that since the filing of this application, Corix Utilities (Foothills Water) Inc. has changed its name to Bluestem Utilities (Foothills Water) Inc., but is referring to its original name in this correspondence at the time of the application and used during the proceeding to avoid any confusion.
