Attention: Chris McMillan, Secretary to the Comptroller of Water Rights

Dear Mr. McMillan:

**Re: Corix Multi-Utility Services Inc. ("CMUS")
Application to Vary Decision and Order No. 2544 to amended Regulatory Timetable**

On November 26, 2018, CMUS filed a Panorama Water Rate Application for 2019 rates. On March 12, 2019, the Comptroller of Water Rights (Comptroller) issued Decision and Order No. 2544 which, among other things, established a Written Hearing Process according to the Regulatory Timetable attached as Appendix A to that order. The next item on the Regulatory Timetable is the CMUS Response to Information Request Number 1 and any other questions from customers' submissions due April 5, 2019.

CMUS respectfully requests a variance to Decision and Order No. 2544 in the form of an amended Regulatory Timetable. CMUS proposes that the due dates for each of the remaining items be extended by approximately two weeks as outlined below:

CMUS PROPOSED REGULATORY TIMETABLE

ACTION	DUE DATE (2019)
CMUS Response to Comptroller and Intervener IR No. 1 and any other questions from customers' submissions	Thursday, April 18
CMUS Final Submission	Monday, April 29
Intervener Final Submission	Thursday, May 9
CMUS Reply Submission	Friday, May 17

CMUS requests the extension for the following reasons:

1. CMUS would like to provide thorough responses to the questions received in the information request and questions received from customers in one complete package. CMUS believes that in taking the time to answer each question in a more detailed manner, the Comptroller will have more information with which to make the necessary determinations.
2. Recent staff changes have resulted in resource constraints at this time.
3. The proposed dates extend the due dates for active participants in this written hearing process in an equal manner.

All of which is respectfully submitted,

Corix Multi-Utility Services Inc.
